

SPECIAL RISKS REQUIRE SPECIALIZED SOLUTIONS

We know not all businesses are alike, and some require an even more tailored approach when it comes to their insurance given their unique risks. That's where our Specialty Risk team can help, with a wide range of specialty solutions designed to help protect your customers and keep their businesses safe.

OUR FULL SUITE OF CAPABILITIES

- **Cyber Risk:** We offer both standard and custom cyber insurance solutions with first and third-party coverage to help protect businesses of all sizes from today's evolving cyber threats.
- **Professional Liability:** We offer insurance solutions for select traditional licensed professionals and miscellaneous professionals, including media and technology errors and omissions.
- **Management Liability:** We offer Directors and Officers insurance solutions, with a focus on private and non-profit organizations.
- **Marine Insurance:** As one of the largest insurers of marine risks in Canada, we offer a complete range of insurance products to help protect boats, yachts and marine equipment, docks and piers, and ocean cargo.
- **Warranty & Gap:** We offer specialized warranty and gap solutions for new and used cars, recreational vehicles, dealership programs, consumer purchase protection, extended warranties, and more.
- **Fronting & Niche Solutions:** Our fronting capabilities can assist with non-traditional exposures or where traditional insurance solutions or capacity may not be available. And if you have niche, new-to-market or hard-to-place risks, our team can work with you to craft an even more custom solution.
- **Deductible Buydown & Downtime*:** Our deductible buydown and downtime program helps protect transportation customers from unexpected expenses by allowing them to manage their deductible level and providing reimbursement for income lost while a vehicle is off the road due to accident, theft, or major mechanical breakdown.

Whether written as part of a larger policy or as stand-alone coverage, we can tailor these solutions to meet your customers' specific needs.
